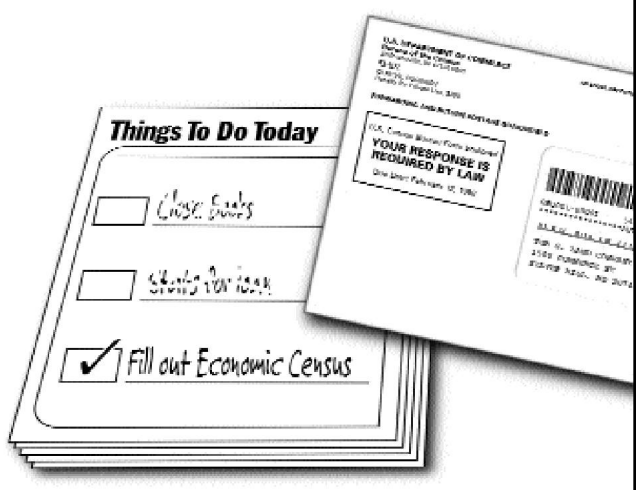
The 1997 Economic Census. Get it done.



Is the Economic Census still on your to-do list?

If your business received an Economic Census form, fill it out. Send it in by **February 12.**

The information you provide helps build economic indicators, like the GDP, that America uses to chart its future – figures you need to make good business decisions.

Your response is confidential, it's important, and it's required by law.

To learn more, visit our web site: **www.census.gov/econ97**.
For assistance or questions about your form, call **1-800-233-6136**.
