¹Broomfield, CO was formed from parts of Adams, Boulder, Jefferson, and Weld Counties, CO on November 15, 2001 and was coextensive with Broomfield city. For purposes of presenting data for metropolitan and micropolitan statistical areas for Census 2000, Broomfield is treated as if it were a county at the time of the 2000 census. Note: The April 1, 2000 estimates base reflects changes to the Census 2000 population resulting from legal boundary updates as of January 1 of the estimates year, other geographic program changes, and the Count Question Resolution program. All geographic boundaries for the July 1, 2006 population estimates series are defined as of January 1, 2006. The areas defined by OMB as of January 1, 2006 are the December 2005 definitions. The Office of Management and Budget's statistical area definitions (for metropolitan, micropolitan, and combined statistical areas, as well as metropolitan divisions) are those issued by that agency in December 2005.

The metropolitan, micropolitan, and combined statistical area population estimates are based upon the county estimates. The county estimates methodology is available at: http://www.census.gov/popest/topics/methodology/2006_st_co_meth.html.
