- Represents zero. A Represents an RSE that is greater than or equal to 100 or could not be computed.

NA Not available. RSE Relative Standard Error.

S Withheld because estimate did not meet publication standards on the basis of response rate, associated standard error, or a consistency review.

Z Less than 500 units or less than 0.5 percent.

¹Includes houses built for rent (not shown separately). Starting in 2008, the type of financing is no longer collected for houses built for rent; the type of financing is assumed to be in proportion to that of completed houses for all other purposes.

²Includes other types of financing (not shown separately).
