Back to School: 2013-2014

By August, summertime will be winding down and vacations will be coming to an end, signaling that back-to-school time is near. It's a time that many children eagerly anticipate — catching up with old friends and making new ones, and settling into a new daily routine. Parents and children alike scan the newspapers and websites looking for sales to shop for a multitude of school supplies and the latest clothing fads and essentials. This edition of *Facts for Features* highlights the many statistics associated with the return to classrooms by our nation's students and teachers.
