

Correction Note: Census Bureau Reports State and Local Government Employment Remains at 16.6 Million

This news release was issued with an incorrect subhead. The correct text should be as follows: Many States Show Wide Variation in Government Employment From 2008 to 2009. The original text cited 2007 and 2008. The data in the news release are correct; the only error was in the subhead. We regret the inconvenience.
