

**Distribution of School Districts, School-Age Children and School-Age Children in Families in Poverty by School District Population: 2012**

Notes: There are 13,529 Title I eligible school districts used in this graph (Fifteen school districts were removed for having zero population). The terms 'in families' refers to children ages 5 to 17 related by birth, marriage, or adoption to the householder of the housing unit in which they reside; foster children, other unrelated individuals, and residents of group quarters are not 'related children'.
