

Improving Health Insurance Coverage Measurement: 1998-2014

A history of research and testing

● Publications

★ Field Tests

1999-present

Academic researchers suggest the CPS estimates of health insurance (Medicaid) may be too low

2001-2004

Research on whether question order matters

2005

Medicaid Undercount Project

2006-2009

Cognitive tests on improving health insurance questions

★ 2010 Survey of Health Insurance and Program Participation

2012

Massachusetts cognitive study on exchanges

★ 2013 CPS ASEC Content test
