

Electorate Profile: District of Columbia

Selected Characteristics of the Voting-Age Population

■ District of Columbia 543,588

■ U.S. 245,273,438

Voting-Age Population

Race and Hispanic Origin

Median Household Income

(all households)

Poverty Rate

Bachelor's Degree or Higher

(population age 25 and older)

* Alone or in combination, non-Hispanic.

Notes: In combination means in combination with one or more other races. The sum of the five race groups adds to more than the total population because individuals may report more than one race.

This graphic shows the voting-age population. An estimate of the number of the state's eligible voters (i.e., citizens aged 18 and older) is available via 2014 American Community Survey Table B05003.
