

Figure 9.

Health Insurance Coverage by Type and Income-to-Poverty Ratio for Children Under the Age of 19 and Adults Ages 19 to 64: 2024 and 2025

(In percent)

Z Rounds to zero.

¹ The poverty universe excludes unrelated individuals under the age of 15 such as foster children.

Note: Population as of March of the following year. The estimates by type of coverage are not mutually exclusive; people can be covered by more than one type of health insurance during the year. Margins of error and other related estimates are available in Table 8 at <www.census.gov/library/publications/2026/demo/p60-291.html>. Information on confidentiality protection, sampling error, nonsampling error, and definitions is available at <<https://www2.census.gov/programs-surveys/cps/techdocs/cpsmar26.pdf>>.
