

ALCOHOL PRODUCTION

THEN AND NOW

The Evolution of U.S. Alcohol Production From 1810 to 2022

1810

14,191

distilleries in operation in the United States

States with the most distilleries:

Virginia

3,662 distilleries produced 2,367,589 gallons of spirits, worth \$1,711,679

Pennsylvania

3,594 distilleries produced 6,552,284 gallons of spirits, worth \$3,986,045

Kentucky

2,000 distilleries produced 2,220,773 gallons of spirits, worth \$740,242

\$15.6 million

Value of spirits distilled in the United States

132

breweries in operation in the United States

States with the most breweries:

Pennsylvania

48 breweries produced 71,273 barrels of beer worth \$376,072

New York

42 breweries produced 66,896 barrels of beer worth \$340,766

Ohio

13 breweries produced 1,116 barrels of beer worth \$5,712

182,690

barrels of beer brewed in the United States

\$955,791

Value of beer brewed in the United States

\$14,376

Value of grape and currant wine

101 barrels of grape wine and 142 barrels of currant wine produced in the United States

WINE

2022

1,230*

distilleries in operation in the United States

States with the most distilleries:

California

106* distilleries had a value of shipments of \$368.5 million

New York

88* distilleries had a value of shipments of \$129.1 million

Texas

86* distilleries had a value of shipments of \$2.4 billion

SPIRITS

22,586

employees

\$18.8 billion

in value of shipments

4,857*

breweries in operation in the United States

States with the most breweries:

California

534* breweries had a value of shipments of \$3.1 billion

New York

302* breweries had a value of shipments of \$1.5 billion

Colorado

253* breweries had a value of shipments of \$2.3 billion

BEER

89,823

employees

\$29.4 billion

in value of shipments

4,373*

Wineries in operation in the United States

63,475

employees

\$24.3 billion

in value of shipments

*Stated number reflects the number of firms in operation.

Note: Data for 1810 can be found on page 23 of the following link: <https://www2.census.gov/library/publications/decennial/1810/1810v2/1810v2-06.pdf>. Economic Census statistics are based on the 2022 North American Industry Classification System (NAICS) and are representative of employer firms. NAICS codes shown include Distilleries (31214), Breweries (31212), and Wineries (31213). Published statistics are subject to nonsampling error and dollar values are not adjusted for inflation. Information on survey methodology can be found in the [technical documentation](#) section of the 2022 Economic Census webpage at www.census.gov/economiccensus. The Census Bureau has reviewed the 2022 Economic Census data products to ensure appropriate access, use, and disclosure avoidance protection of the confidential source data (Project No. 7504609, Disclosure Review Board [DRB] approval number: CBDRB-FY23-099).
