

**Figure A-5b. Distribution of Enrollment and High School Completion
Among 18 and 19 Year-Olds, 1967 to 2019**

Prior to 1992, high school graduates were those who completed 4 years of high school or more. Beginning in 1992, they were those with a high school diploma (including equivalency) or higher. "Enrolled in high school" includes those enrolled below the high school level. For more information on confidentiality protection, sampling error, nonsampling error, and definitions, see: www.census.gov/programs-surveys/cps.html
