

**Figure A-5b. Distribution of College Enrollment and High School Completion  
Among 18- and 19-Year-Olds: 1967 to 2022**

Prior to 1992, high school graduates were those who completed 4 years of high school or more. Beginning in 1992, they were those with a high school diploma (including equivalency) or higher. For more information on confidentiality protection, sampling error, nonsampling error, and definitions, refer to [www.census.gov/programs-surveys/cps.html](http://www.census.gov/programs-surveys/cps.html)
