Recently, you completed a survey that asked about the children usually living or staying at this address. Thank you for taking the time to complete that survey.

We now have some follow-up questions to ask about:

If the name listed above is not correct or does not correspond to a child living in this household, please call 1-800-845-8241 for assistance.

These questions will collect more detailed information on various aspects of this child's health including his or her health status, visits to health care providers, health care costs, and health insurance coverage.

We have selected only one child per household in an effort to minimize the amount of time necessary to complete the follow-up questions.

The survey should be completed by an adult who is familiar with this child's health and health care.

Your participation is important. Thank you.
