

National Survey of Children's Health

A study by the U.S. Department of Health and Human Services to better understand the health issues faced by children in the United States today.

The U.S. Census Bureau is required by law to protect your information and is not permitted to publicly release your responses in a way that could identify you or your household. The U.S. Census Bureau is conducting the National Survey of Children's Health on the behalf of the Department of Health and Human Services (HHS) under Title 13, United States Code, Section 8(b), which allows the Census Bureau to conduct surveys on behalf of other agencies. Title 42 U.S.C. Section 701(a)(2) allows HHS to collect information for the purpose of understanding the health and well-being of children in the United States. Federal law protects your privacy and keeps your answers confidential under 13 U.S.C. Section 9. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

Any information you provide will be shared for the work-related purposes identified above and as permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a) and SORN COMMERCE/CENSUS-3, Demographic Survey Collection (Census Bureau Sampling Frame).

Participation in this survey is voluntary and there are no penalties for refusing to answer questions. However, your cooperation in obtaining this much needed information is extremely important in order to ensure complete and accurate results.

Recently, you completed a survey that asked about the children usually living or staying at this address. Thank you for taking the time to complete that survey.

We now have some follow-up questions to ask about:

If the name listed above is not correct or does not correspond to a child living in this household, please call 1-800-845-8241 for assistance.

We have selected only one child per household in an effort to minimize the amount of time you will need to complete the follow-up questions.

The survey should be completed by an adult who is familiar with this child's health and health care.

Your participation is important. Thank you.
