This is not an official census form. It is for informational purposes only.

The Census Bureau estimates that, for the average household, this form will take about 10 minutes to complete, including the time for reviewing the instructions and checking the form. Attn: Paperwork Reduction Project0607-0856, Room 3104, Federal Building 3, Bureau of the Census, Washington, DC 20233.

Respondents are not required to respond to any information collection unless it displays a valid approval number from the Office of Management and Budget.

The “Informational Copy” shows the content of the United States Census 2000 “short” form questionnaire. Each household will receive either a short form or a long form. The short form is based on a 10 percent and sample questionnaire. The short form is mailed to one person in the household and is to be completed by everyone living or staying in the household. The short form will not cover everyone living or staying in the household.
