

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, APRIL 2018

Release Number: CB 18-83 FT-900A (18-04)

**MAY 24, 2018** — The U.S. Census Bureau announced today that preliminary April steel imports were \$3.1 billion (3.4 million metric tons) compared to the preliminary March totals of \$2.8 billion (3.0 million metric tons).

The April change in steel imports based on metric tonnage reflected increases primarily in line pipe. Decreases occurred in standard rails; electrical sheets and strip; and piling steel. Increases occurred primarily with Russia and Korea. Decreases occurred primarily with Brazil and Japan.

The year to date final statistics through March 2018 showed steel imports of 7.9 million metric tons compared with 8.1 million metric tons through March 2017. The largest commodity decreases occurred primarily in reinforcing bars; blooms, billets, and slabs; and wire rods. Increases occurred primarily in oil country goods, hot rolled sheets, and plates in coils. The largest country decreases occurred primarily with Turkey. Increases occurred primarily with Canada and Mexico.

The May report is scheduled for release on June 25, 2018. View the full schedule at: <[https://www.census.gov/foreign-trade/reference/release\\_schedule.html](https://www.census.gov/foreign-trade/reference/release_schedule.html)> The full text and tables for this release can be found at <[https://www.census.gov/foreign-trade/Press-Release/steel\\_index.html](https://www.census.gov/foreign-trade/Press-Release/steel_index.html)>.

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <<https://www.census.gov/foreign-trade/index.html>>. On the website, you can access product by country and country by product tables.
