

FOR RELEASE AT 10:00 AM EST, FRIDAY, DECEMBER 27, 2019

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, November 2019

Release Number: CB 19-194 FT-900A (19-11)

**December 27, 2019** — The U.S. Census Bureau announced today that preliminary November steel imports were \$1.4 billion (1.4 million metric tons) compared to the preliminary October totals of \$1.8 billion (2.0 million metric tons).

The November change in steel imports based on metric tonnage reflected decreases in blooms, billets, and slabs. Increases occurred in hot rolled bars, plates cut lengths, and line pipe. Decreases occurred primarily with Brazil. Increases occurred primarily with Netherlands, Russia, and Korea.

The year to date final statistics through October 2019 showed steel imports of 22.5 million metric tons compared with 26.7 million metric tons through October 2018. The largest commodity decreases occurred primarily in blooms, billets and slabs. Increases occurred primarily in black plate, tin free steel, and steel piling. The largest country decreases occurred primarily with Russia. Increases occurred primarily with Spain, Ukraine, and Australia.

The December report is scheduled for release on January 27, 2020. View the full schedule at: <[www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html)> The full text and tables for this release can be found at <[www.census.gov/foreign-trade/Press-Release/steel\\_index.html](http://www.census.gov/foreign-trade/Press-Release/steel_index.html)>.

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <[www.census.gov/trade](http://www.census.gov/trade)>. On the website, you can access product by country and country by product tables.
