

FOR RELEASE AT 10:00 AM EST, WEDNESDAY, JANUARY 27, 2021

PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, December 2020

Release Number: CB 21-13 FT-900A (20-12)

January 27, 2021 — The U.S. Census Bureau announced today that preliminary December steel imports were \$1.3 billion (1.4 million metric tons) compared to the preliminary November totals of \$1.1 billion (1.2 million metric tons).

The December change in steel imports based on metric tonnage reflected increases in oil country goods, plates in coils, and hot rolled sheets. Decreases occurred in blooms, billets, and slabs; reinforcing bars; and hot dipped sheets and galvanized strip. Increases occurred primarily with Korea. Decreases occurred primarily with Germany, Turkey, and Thailand.

The year to date final statistics through November 2020 showed steel imports of 18.7 million metric tons compared with 24.0 million metric tons through November 2019. The largest commodity decrease occurred primarily in oil country goods. Increases occurred primarily in tin free steel, light shaped bars, and railroad accessories. The largest country decreases occurred with Russia. Increases occurred primarily with Turkey, Australia, and Singapore.

The January report is scheduled for release on February 24, 2021. View the full schedule at: <www.census.gov/foreign-trade/reference/release_schedule.html> The full text and tables for this release can be found at <www.census.gov/foreign-trade/Press-Release/steel_index.html>.

EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <www.census.gov/trade>. On the website, you can access product by country and country by product tables.
