

FOR RELEASE AT 10:00 AM EDT, WEDNESDAY, JUNE 23, 2021

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, May 2021

Release Number: CB 21-98 FT-900A (21-05)

**June 23, 2021** — The U.S. Census Bureau announced today that preliminary May steel imports were \$2.4 billion (2.3 million metric tons) compared to the preliminary April totals of \$2.4 billion (2.4 million metric tons).

The May change in steel imports based on metric tonnage reflected decreases in blooms, billets, and slabs. Increases occurred in tin plate; hot dipped galvanized sheets and strip; and cold rolled sheets. Decreases occurred primarily with Brazil. Decreases occurred primarily with Russia, Taiwan, and Netherlands.

The year to date final statistics through April 2021 showed steel imports of 8.4 million metric tons compared with 8.4 million metric tons through April 2020. The largest commodity increase occurred primarily in hot rolled sheets; sheets and strip; and plates in coil. Decreases occurred primarily in blooms, billets, and slabs and oil country goods. The largest country increases occurred with Canada, Korea, and Mexico. Decreases occurred primarily with Brazil.

The June report is scheduled for release on July 26, 2021. View the full schedule at: <[www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html)> The full text and tables for this release can be found at <[www.census.gov/foreign-trade/Press-Release/steel\\_index.html](http://www.census.gov/foreign-trade/Press-Release/steel_index.html)>.

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <[www.census.gov/trade](http://www.census.gov/trade)>. On the website, you can access product by country and country by product tables.
