

FOR RELEASE AT 10:00 AM EDT, FRIDAY, SEPTEMBER 24, 2021

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, August 2021

Release Number: CB 21-153 FT-900A (21-08)

**September 24, 2021** — The U.S. Census Bureau announced today that preliminary August steel imports were \$3.0 billion (2.5 million metric tons) compared to the preliminary July totals of \$3.1 billion (2.7 million metric tons).

The August change in steel imports based on metric tonnage reflected decreases in blooms, billets, and slabs. Increases occurred in hot rolled sheets; hot dipped galvanized sheets and strip; and plates in coils. Decreases occurred primarily with Korea and Brazil. Increases occurred primarily with Canada, Mexico, and Taiwan.

The year to date final statistics through July 2021 showed steel imports of 16.2 million metric tons compared with 13.7 million metric tons through July 2020. The largest commodity increase occurred with hot rolled sheets. Decreases occurred primarily in line pipe, standard pipe, and used rail. The largest country increase occurred with Canada. Decreases occurred primarily with Brazil and Spain.

The September report is scheduled for release on October 26, 2021. View the full schedule at: [www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html) The full text and tables for this release can be found at [www.census.gov/foreign-trade/Press-Release/steel\\_index.html](http://www.census.gov/foreign-trade/Press-Release/steel_index.html).

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at [www.census.gov/trade](http://www.census.gov/trade). On the website, you can access product by country and country by product tables.
