

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, MARCH 2022

Release Number: CB 22-68 FT-900A (22-03)

**April 25, 2022** — The U.S. Census Bureau announced today that preliminary March steel imports were \$3.9 billion (2.8 million metric tons) compared to the preliminary February totals of \$3.1 billion (2.1 million metric tons).

The March change in steel imports based on metric tonnage reflected an increase in hot rolled sheets. Decreases occurred in used rails; electrical sheets and strips; and pipe and tubing. Increases occurred primarily with Canada. Decreases occurred primarily with Austria, Italy, and Germany.

The year to date final statistics through February 2022 showed steel imports of 4.9 million metric tons compared with 3.9 million metric tons through February 2021. The largest commodity increases occurred with galvanized hot dipped sheets and strip and cold rolled sheets. Decreases occurred primarily in blooms, billets, and slabs; line pipe; and galvanized electrolyte sheets and strip. The largest country increases occurred with Mexico. Decreases occurred primarily with Brazil.

The April report is scheduled for release on May 24, 2022. View the full schedule at: <[www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html)> The full text and tables for this release can be found at <[www.census.gov/foreign-trade/Press-Release/steel\\_index.html](http://www.census.gov/foreign-trade/Press-Release/steel_index.html)>.

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <[www.census.gov/trade](http://www.census.gov/trade)>. On the website, you can access product by country and country by product tables.
