

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, NOVEMBER 2022

Release Number: CB 22-212 FT-900A (22-11)

**December 28, 2022** — The U.S. Census Bureau announced today that preliminary November steel imports were \$2.8 billion (1.8 million metric tons) compared to the preliminary October totals of \$3.2 billion (2.2 million metric tons).

The November change in steel imports based on metric tonnage reflected a decrease in blooms, billets, and slabs. Increases occurred in oil country goods, plates in coils, and tin free steel. Decreases occurred primarily with Mexico. Increases occurred primarily with Ukraine, France, and Belgium.

The year to date final statistics through October 2022 showed steel imports of 24.2 million metric tons compared with 23.3 million metric tons through October 2021. The largest commodity increases occurred with oil country goods, cold rolled sheets, and wire rods. Decreases occurred primarily in blooms, billets, and slabs. The largest country increases occurred with Mexico, India, and China. Decreases occurred primarily with Brazil.

The December report is scheduled for release on January 26, 2023. View the full schedule at: [www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html) The full text and tables for this release can be found at [www.census.gov/foreign-trade/Press-Release/steel\\_prelim.html](http://www.census.gov/foreign-trade/Press-Release/steel_prelim.html).

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at [www.census.gov/trade](http://www.census.gov/trade). On the website, you can access product by country and country by product tables.
