

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, MARCH 2023

Release Number: CB 23-63 FT-900A (23-03)

**April 25, 2023** — The U.S. Census Bureau announced today that preliminary March steel imports were \$3.2 billion (2.4 million metric tons) compared to the preliminary February totals of \$2.8 billion (2.0 million metric tons).

The March change in steel imports based on metric tonnage reflected an increase in blooms, billets, and slabs. Decreases occurred in structural heavy shapes, reinforcing bars, and wire rods. Increases occurred primarily with Canada. Decreases occurred primarily with the Netherlands, Korea, and Ukraine.

The year to date final statistics through February 2023 showed steel imports of 4.4 million metric tons compared with 4.9 million metric tons through February 2022. The largest commodity decreases occurred primarily in hot dipped galvanized sheets and strip. Increases occurred with oil country goods.

The largest country decreases occurred primarily with Russia. Increases occurred with Brazil and Canada.

The April report is scheduled for release on May 25, 2023. View the full schedule at: <[www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html)> The full text and tables for this release can be found at <[www.census.gov/foreign-trade/Press-Release/steel\\_prelim.html](http://www.census.gov/foreign-trade/Press-Release/steel_prelim.html)>.

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <[www.census.gov/trade](http://www.census.gov/trade)>. On the website, you can access product by country and country by product tables.
