

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS, JUNE 2023

Release Number: CB 23-121 FT-900A (23-06)

**July 27, 2023** — The U.S. Census Bureau announced today that preliminary June steel imports were \$3.2 billion (2.5 million metric tons) compared to the preliminary May totals of \$3.1 billion (2.1 million metric tons).

The June change in steel imports based on metric tonnage reflected an increase in blooms, billets, and slabs. Decreases occurred in tin plate; hot dipped galvanized sheets and strips; and cold rolled sheets. Increases occurred primarily with Brazil. Decreases occurred primarily with Germany, Australia, and Netherlands.

The year to date final statistics through May 2023 showed steel imports of 11.1 million metric tons compared with 12.7 million metric tons through May 2022. The largest commodity decreases occurred primarily in hot dipped galvanized sheets and strip. Increases occurred with oil country goods and line pipe. The largest country decreases occurred primarily with Mexico. Increases occurred with Brazil, Australia, and Thailand.

The July report is scheduled for release on August 25, 2023. View the full schedule at: <[www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html)> The full text and tables for this release can be found at <[www.census.gov/foreign-trade/Press-Release/steel\\_prelim.html](http://www.census.gov/foreign-trade/Press-Release/steel_prelim.html)>.

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicate the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <[www.census.gov/trade](http://www.census.gov/trade)>. On the website, you can access product by country and country by product tables.
