

## PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS SEPTEMBER 2023

Release Number: CB 23-178 FT-900A (23-09)

**October 26, 2023** — The U.S. Census Bureau announced today that preliminary September steel imports were \$2.4 billion (2.0 million metric tons) compared to the preliminary August totals of \$2.8 billion (2.1 million metric tons).

The September change in steel imports based on metric tonnage reflected a decrease in reinforcing bars, wire rods, and oil country goods. Increases occurred in blooms, billets, and slabs. Decreases occurred primarily with Germany, Japan, and Argentina. Increases occurred primarily with Brazil and Korea.

The year to date final statistics through August 2023 showed steel imports of 17.9 million metric tons compared with 20.0 million metric tons through August 2022. The largest commodity decreases occurred primarily in sheets and hot dipped galvanized strip. Increases occurred with blooms, billets, and slabs and oil country goods. The largest country decreases occurred primarily with Mexico. Increases occurred with Brazil and Australia.

The October report is scheduled for release on November 27, 2023. View the full schedule at: <[www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html)> The full text and tables for this release can be found at <[www.census.gov/foreign-trade/Press-Release/steel\\_prelim.html](http://www.census.gov/foreign-trade/Press-Release/steel_prelim.html)>.

### EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicate the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <[www.census.gov/trade](http://www.census.gov/trade)>. On the website, you can access product by country and country by product tables.
