

PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS AUGUST 2026

Release Number: CB26-156 FT-900A (26-08)

September 24, 2026 — The U.S. Census Bureau announced today that preliminary August steel imports were \$2.1 billion (2.1 million metric tons) compared to the final July totals of \$2.0 billion (2.1 million metric tons).

The August change in steel imports based on metric tonnage reflected increases in hot rolled sheets, blooms, billets, and slabs, and plates cut in lengths. Decreases occurred in oil country goods, reinforcing bars, and line pipe greater than 16 inches in diameter. Increases occurred primarily with Brazil, Mexico, and India. Decreases occurred primarily with Korea, Taiwan, and Indonesia.

The year-to-date final statistics through July 2026 showed steel imports of 12.3 million metric tons compared with 15.3 million metric tons through July 2025. The largest commodity decreases occurred with blooms, billets, and slabs, galvanized hot dipped sheets and strips, and oil country goods. Increases occurred with heavy structural shapes and reinforcing bars. The largest country decreases occurred primarily with Canada, Brazil, and Mexico. Increases occurred primarily with Korea, Indonesia, and Argentina.

The September report is scheduled for release on October 27, 2026. View the full schedule at: <www.census.gov/foreign-trade/schedule.html>. The full text and tables for this release can be found at <www.census.gov/foreign-trade/Press-Release/steel_prelim.html>.

EXPLANATORY NOTES

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicate the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <www.census.gov/trade>. On the website, you can access product by country and country by product tables.
