Section XXI - Chapter 97

Works of Art, Collectors' Pieces and Antiques

Notes

1. This chapter does not cover:
   (a). Unused postage or revenue stamps, postal stationery (stamped paper) or the like, of
       heading 4907;
   (b). Theatrical scenery, studio backdrops and the like, of painted canvas (heading 5907)
       except if they may be classified in heading 9706; or
   (c). Pearls, natural or cultured, or precious or semiprecious stones (headings 7101 to 7103).

2. For the purposes of heading 9702, the expression "original engravings, prints and
   lithographs" means impressions produced directly, in black and white or in color, of one or of
   several plates wholly executed by hand by the artist, irrespective of the process or of the
   material employed by him, but not including any mechanical or photomechanical process.

3. Heading 9703 does not apply to mass-produced reproductions or works of conventional
   craftsmanship of a commercial character, even if these articles are designed or created by
   artists.

4. (a). Subject to notes 1 through 3 above, articles of this chapter are to be classified in this
       chapter and not in any other chapter of the nomenclature.
   (b). Heading 9706 does not apply to articles of the preceding headings of this chapter.

5. Frames around paintings, drawings, pastels, collages or similar decorative plaques, engravings,
   prints or lithographs are to be classified with those articles, provided they are of a kind of a
   value normal to those articles. Frames which are not of a kind or of a value normal to the
   articles referred to in this note are to be classified separately.

Statistical Note

1. Heading 9703 covers not only original sculpture made by the sculptor, but also the first 12
   castings, replicas or reproductions made from a sculptor's original work or model, by the
   sculptor himself or by another artist, with or without a change in scale and whether or not the
   sculptor is alive at the time the castings, replicas or reproductions are completed.
