The Least Segregated Large Metropolitan Area for Blacks or African Americans in 2000: Orange County, CA PMSA

Primary Metropolitan Statistical Area (PMSA) boundaries and names are those defined by the Federal Office of Management and Budget on June 30, 1999. All other boundaries and names are as of January 1, 2000.

Selection criteria of the least segregated MA is based on the universe of 43 metropolitan areas with at least 3 percent or 20,000 or more Blacks or African Americans and 1 million or more total population in 1980.
