a Represents the aggregate amount of the leases of the New York Elevated and Metropolitan Elevated Railroads. The earning capacity forms the basis for the issue of stock.

b Roads under construction.

c Report incomplete and unreliable.

d The amounts of construction and equipment herein given only represent the expenditures for such purposes by the New York, Lake Erie, and Western R. R. Co. since 1878—the year in which it took possession of the property belonging to the "Erie Railway Co." The amount of \$151,711,284 07 represents the combined value of all real estate (including construction, equipment, lands, telegraphs, etc.) so obtained. It was impossible to obtain the exact amounts of construction and equipment up to the date of transfer from either the New York, Lake Erie, and Western, or accounts of the late "Erie R. R." in the hands of its attorneys.
