EXPLANATORY NOTES

Where check boxes are provided, indicate the proper answer by making an "X" in the box provided for the answer. Thus, for a household which lives on a farm, indicate "Yes" thus: Yes [X] 1, No [ ] 0

In any series of boxes in a column, an "X" should be entered in only one box.

Col. 8. Type of structure.—Note that if the structure contains more than two dwelling units, or if it contains business, or is an "other dwelling place" the number of dwelling units must be entered in the space provided. "Other dwelling place" includes tents, boats, railroad cars, trailers, and places not intended for habitation but occupied, such as fruit sheds, barns, caves, etc.

Col. 9. Structure built as.—Distinguish between structures originally built for residence and containing the same number of dwelling units as at present ("Residential same"); structures originally built for residence but with a different number of dwelling units ("Residential differ."); and structures originally built for purposes other than residence ("Nonresidential").

Col. 13. Number of rooms.—Do not include halls, bathrooms, or pantries. Do not include attics or basements unless they are finished off and used or available for use as living quarters. Do not include porches or sunrooms unless they are permanently enclosed and used or available for use throughout the year as living quarters.

Cols. 15 and 16. Toilet facilities and bath with running water in structure.—"Exclusive use" means for the exclusive use of members of this household. "Shared" means shared with other households.

Col. 24. Additional monthly cost to renter.—Enter the average monthly amount paid for these utilities by the renter in addition to rent entered in column 7.

Col. 25. Market value of property.—Note that the market value of the property includes all dwelling units and land in the property owned, even though some of the dwelling units may be occupied by other households. When the property includes two or more dwelling units, the value must exceed the value entered in column 7. When the property includes only one dwelling unit, the value must be the same as that entered in column 7.

Col. 26. Present debt.—Treat land contracts as first mortgages. If there is a mortgage or land contract on the property enter the amounts now owed, not the original amount of the indebtedness.

Col. 31. Holder of first mortgage (or land contract)?
Bldg. & Ln.—Building and loan association.
Com. Bk.—Commercial bank or trust company.
Sav. Bk.—Mutual or stock savings bank.
Life Ins.—Life insurance company.
Mtg. Co.—Mortgage company.
HOLC—Home Owners' Loan Corporation.
