**EXPLANATORY NOTES**

- The data is from the 16th Census of the United States, 1940.
- The population schedule provides a detailed record of household members, occupations, and other relevant information.

Historic census records are maintained and released by the National Archives and Records Administration, not the U.S. Census Bureau. Visit [http://www.archives.gov](http://www.archives.gov) for more information about publicly available records like the one shown here.
