

Locating and Using County Business Patterns Data on the Internet

This guide provides steps to access County Business Patterns (CBP) data using the CBP web-site.

The most current CBP data will also be available on American FactFinder, but will not be released there for several weeks.

Please note that the CBP website is being revised so the screen shots shown in these instructions may not exactly match the current pages.

The procedures to access the data will remain the same, so you can use the following instructions to obtain the data you are seeking.

1. Go to www.census.gov

2. Click "Subjects A to Z"

The screenshot shows the U.S. Census Bureau website. At the top, the navigation bar includes "FAQs", "Subjects A to Z" (highlighted with a red arrow), and "Help". A search bar is also present. The main content area features a large banner for the "2010 RESIDENT POPULATION" with the number "308,745,538" and a map of the United States. Below this, there are links for "Learn more about your state" and various media options like "Data Map", "Animation", and "Video". The left sidebar contains a menu with categories such as "New on the Site", "Data Tools", "American FactFinder", "Jobs@Census", "Catalog", "Publications", "Are You in a Survey?", "About the Bureau", "Regional Offices", "Doing Business with Us", and "Related Sites". The right sidebar includes "Read our Census Blogs", "Data Finders", "Population Clocks" showing "U.S. 311,514,177" and "World 6,923,593,843", and "Population Finder" with a search form. At the bottom, there are links for "Accessibility", "Information Quality", "FOIA", "Data Protection & Privacy Policy", and "U.S. Dept of Commerce".
