</table>

- Represents zero or rounds to zero. (X) Not applicable.
- Other Asian alone, or two or more Asian categories.
- Other Pacific Islander alone, or two or more Native Hawaiian and Other Pacific Islander categories.
- In combination with one or more of the other races listed. The six numbers may add to more than the total population and the six percentages may add to more than 100 percent because individuals may report more than one race.

### Notes

1. Other Asian alone, or two or more Asian categories.
2. Other Pacific Islander alone, or two or more Native Hawaiian and Other Pacific Islander categories.
3. In combination with one or more of the other races listed. The six numbers may add to more than the total population and the six percentages may add to more than 100 percent because individuals may report more than one race.

X Not applicable.  
1 Other Asian alone, or two or more Asian categories.  
2 Other Pacific Islander alone, or two or more Native Hawaiian and Other Pacific Islander categories.  
3 In combination with one or more of the other races listed. The six numbers may add to more than the total population and the six percentages may add to more than 100 percent because individuals may report more than one race.

* Represents zero or rounds to zero.  (X) Not applicable.

1 Other Asian alone, or two or more Asian categories.
2 Other Pacific Islander alone, or two or more Native Hawaiian and Other Pacific Islander categories.
3 In combination with one or more of the other races listed. The six numbers may add to more than the total population and the six percentages may add to more than 100 percent because individuals may report more than one race.

</tbody>
</table>

- Represents zero or rounds to zero.  
(X) Not applicable.  
1 Other Asian alone, or two or more Asian categories.  
2 Other Pacific Islander alone, or two or more Native Hawaiian and Other Pacific Islander categories.  
3 In combination with one or more of the other races listed. The six numbers may add to more than the total population and the six percentages may add to more than 100 percent because individuals may report more than one race.
